In time take time
While time doth last,
For time is no time
When time is past.

This was the year of longer hair, shorter skirts, polka-dot ties and paisley pants. This was the year we won back the tomahawk from Moline. This was a time of change and growth at Rocky.

We saw the building grow, along with enrollment. We grew, too, as our time moved along in a river of passing events, with each new happening swiftly pushing the last into memory.

The passing hours brought discovery and learning, new awareness, friendships and appreciations. The following pages try to capture some memories of these.

We illustrate our yearbook theme—time—with sketches of a well-known local landmark, which was completed 100 years ago. As the Clock Tower is a symbol of time, passing yet enduring, so we record these fleeting moments of our school year in the 1967 Watchtower.

Time of Growth In Community, Schools

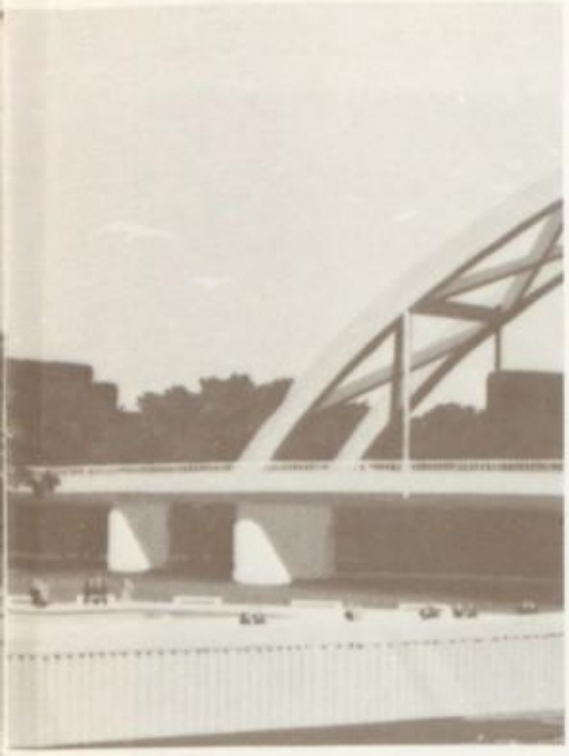
School year 1966-1967 witnessed change and growth at all levels. International problems in the Vietnam war and national grief over the tragic deaths of Astronauts Grissom, White, Chaffee, and world-beloved cartoonist Walt Disney caught the attention of Rocky students. And as they aware of the world changing, they also watched the rapid growth in the community around them.

Plans were set into motion for a new 11-million-dollar Franciscan Hospital to relieve some of the present strain on Rock Island's St. Anthony's.

Projects were proposed for such services as a downtown parking building, larger jet runways for the Quad-City Airport, new low-cost housing for the aged, and another flood wall. Workmen constructed the new Modern Woodmen building and added final touches to the Sheraton Motor Inn.

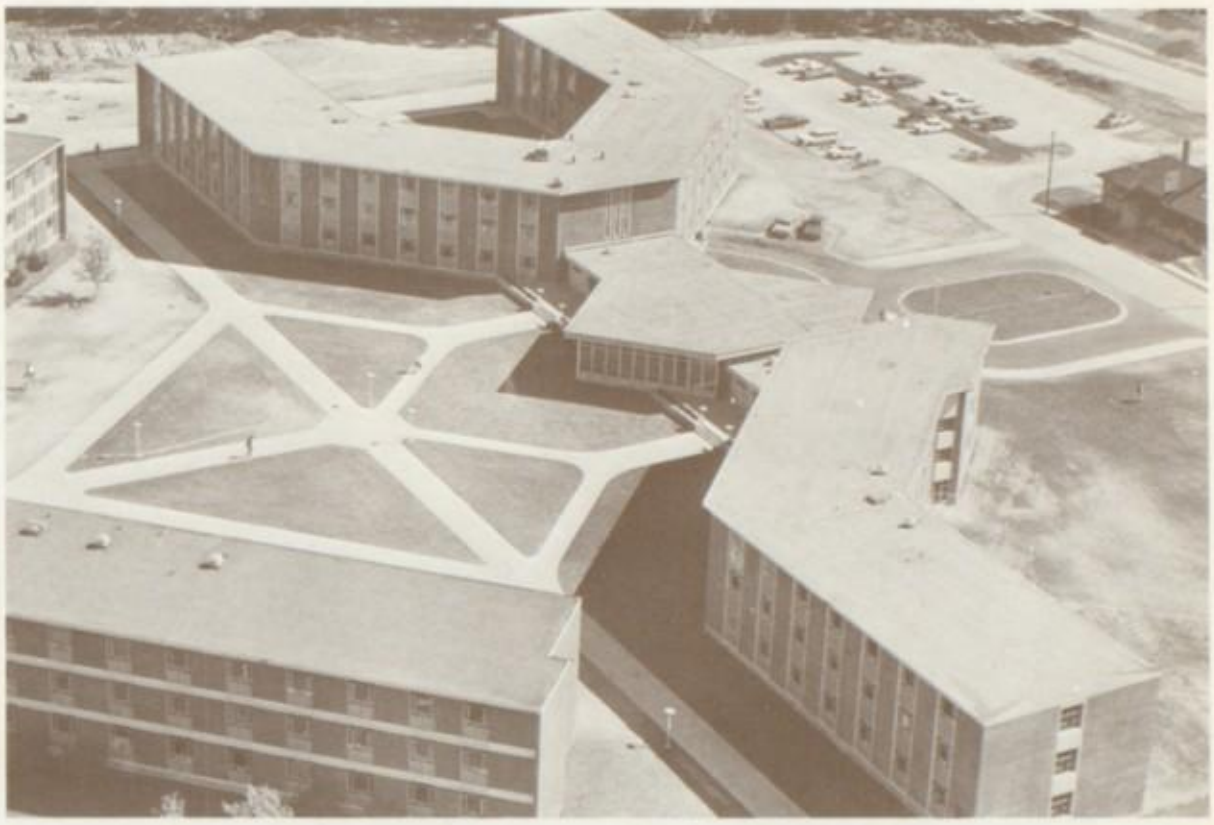
At the school level, students also found great change. Some of the graduating Seniors looked forward to lounging in the new dormitories at Augustana College or reaping the benefits of the projected new campus buildings at Black Hawk College. Juniors and Sophomores peered through peepholes in anticipation of the opening of the new addition at Rocky. This was a year of change and progress—in the nation as well as in the community.

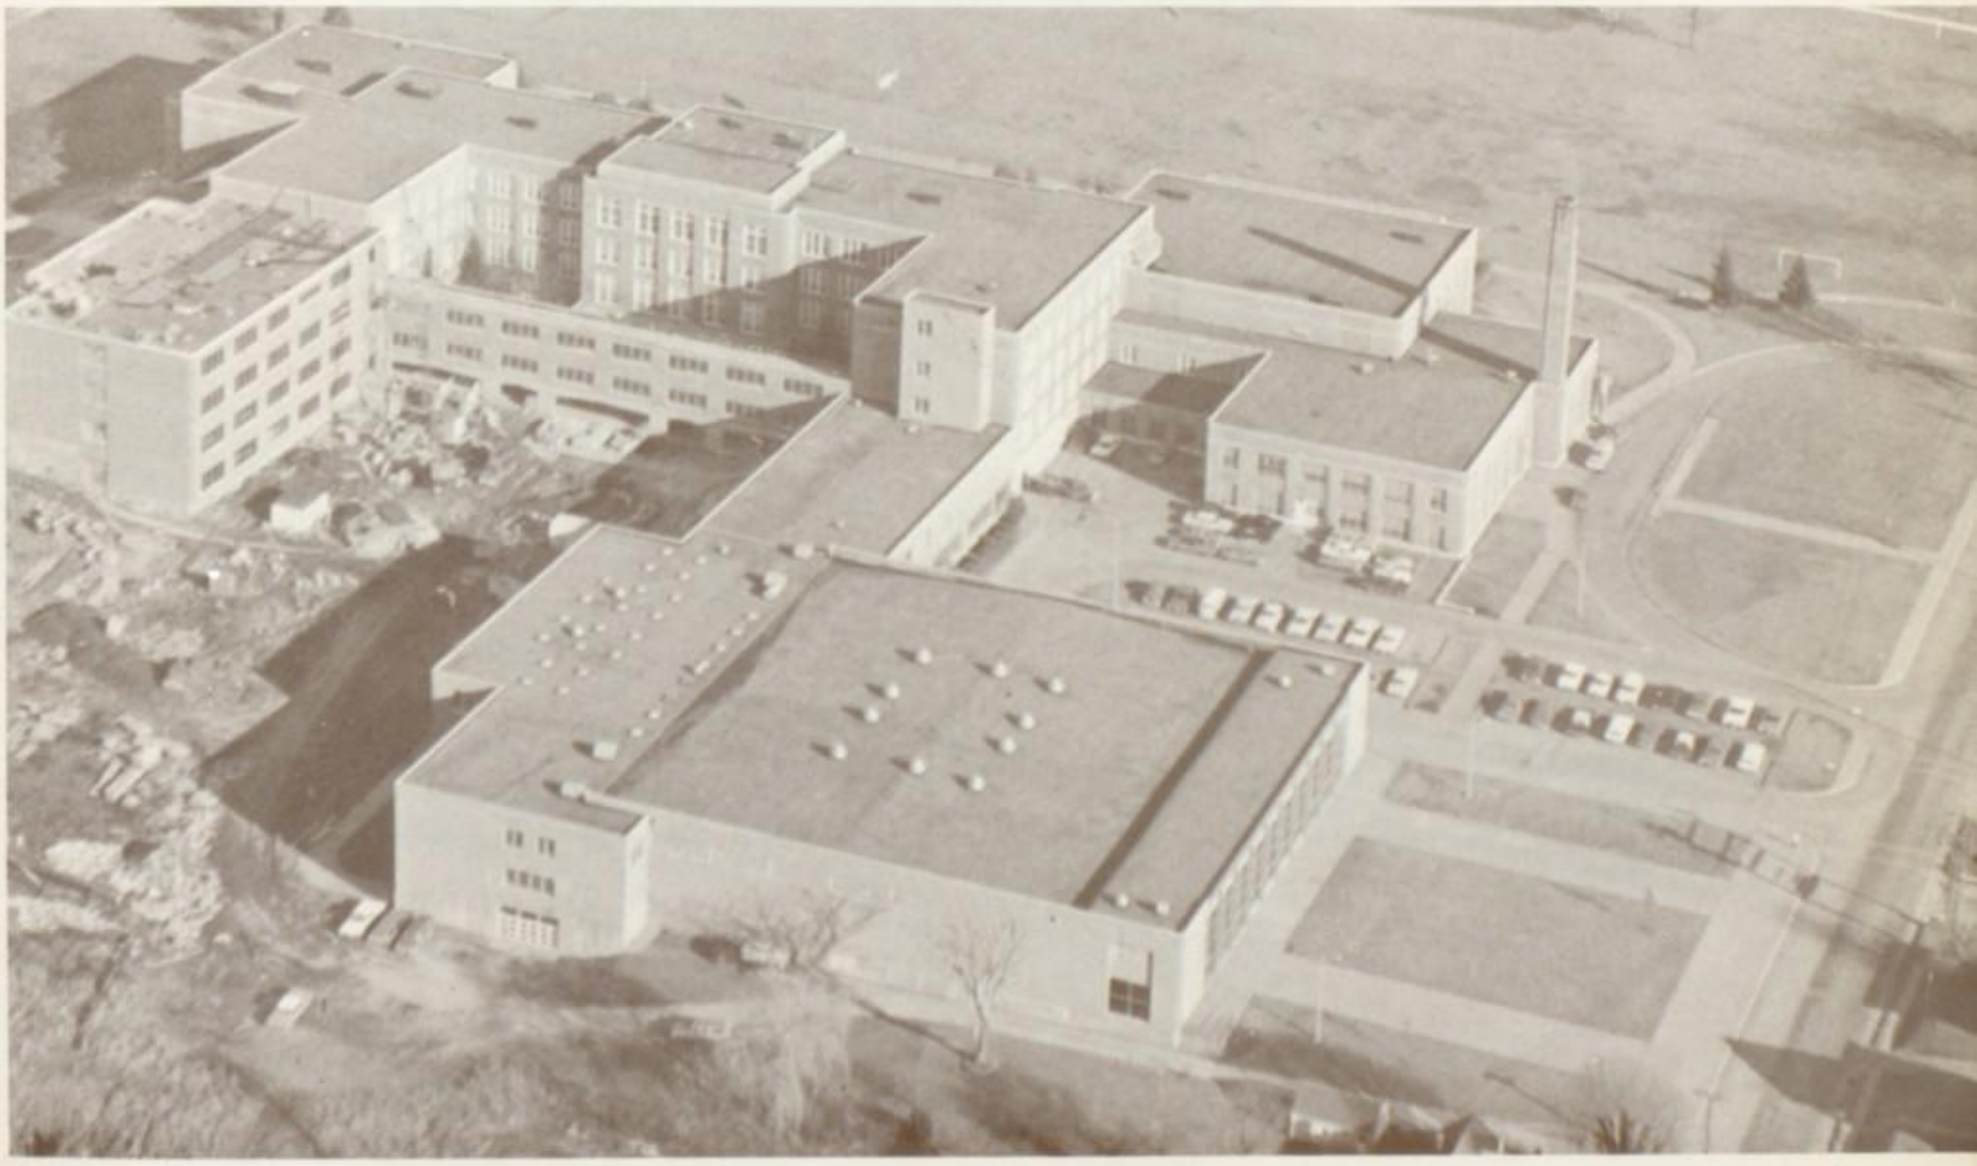
FINAL touches signaled the completion of the attractive Sheraton Motor Inn.



THE multi-million dollar Modern Woodman office was completed on the Mississippi River front.

AUGUSTANA College's new men's dorms exemplified the rapid growth in our community and its schools.





ALL Rocky students recognize this sign of growth—the expansion of our high school building.

The time to be happy is now,
The place to be happy is here,
The way to be happy is to make others so.

"COME ON OUT, the weather's fine," beckons Linda Lindstrom. But AFS students Herbert and Jany are a bit reluctant.

Jany Braves Her First Snow; Herbert Skis

ONCE OUTSIDE, THEY find the weather to their liking, and Jany fills the air with snow, attempting to wash Herbert's face with it.

This year Rocky had two AFS students, representing Brazil and Austria. Janina Teixeira, the lively teenager from Rio de Janeiro, stayed with Linda Lindstrom and her family. She was an outgoing girl, enjoying dancing, parties, and people.

Herbert Koschier, the seventeen year old boy from Vienna, resided with Palmer Boynton. Some of his favorite pastimes were sailing, winter-skiing, and attending the theater.

To become an exchange student to the U.S. involves much preparation. Both Jany and Herbert were selected from many other students in their countries. They had to fill out forms and submit character references, and learn to work twice as hard when studying.

POST GAME DANCES provide fun and exercise for the student body on Friday nights in the girls gym.

Homecoming–CYC Dances Make the Scene

Rock Island offers the student body many after school and week-end activities, the most popular being post-game, formal and semi-formal dances throughout the school year.

Various clubs and organizations alternately sponsor dances after football and basketball games. At 8:30 on Friday nights the girls gym echos laughter and music as students relax.

Semi-formals such as Homecoming, Sno Bol, and the Sportsmanship dance give students a chance to "dress-up". At the Sweetheart Swirl, the tables are turned as girls ask boys. Prom, the biggest event of the high school year, rounds out the dances at Rocky.

A RADIANT SMILE reflects the happiness which Queen Cindy Lewis feels.

From yards of chickenwire and endless rolls of crepe paper emerged the floats which declared to the citizens of Rock Island that the 1966 Homecoming celebration had begun.

The official beginning was on Friday morning, October 21 when the Homecoming Assembly was held. The Pom-Pon Dance, Pep Club skit, Dance Band numbers—all were performed in honor of the Queen and her court. Friday afternoon, gay floats predicting the destruction of the West football team wound through downtown Rock Island. Friday night's highlight was the football game where, at the half, the prize winning floats as well as the Homecoming royalty were presented.

The Homecoming Dance was held Saturday night in the Girls Gym. The gym was decorated to correspond with the theme "Under the Big Top". The climax of this memorable evening was the final presentation and recognition of the 1966 Homecoming Queen and her court.

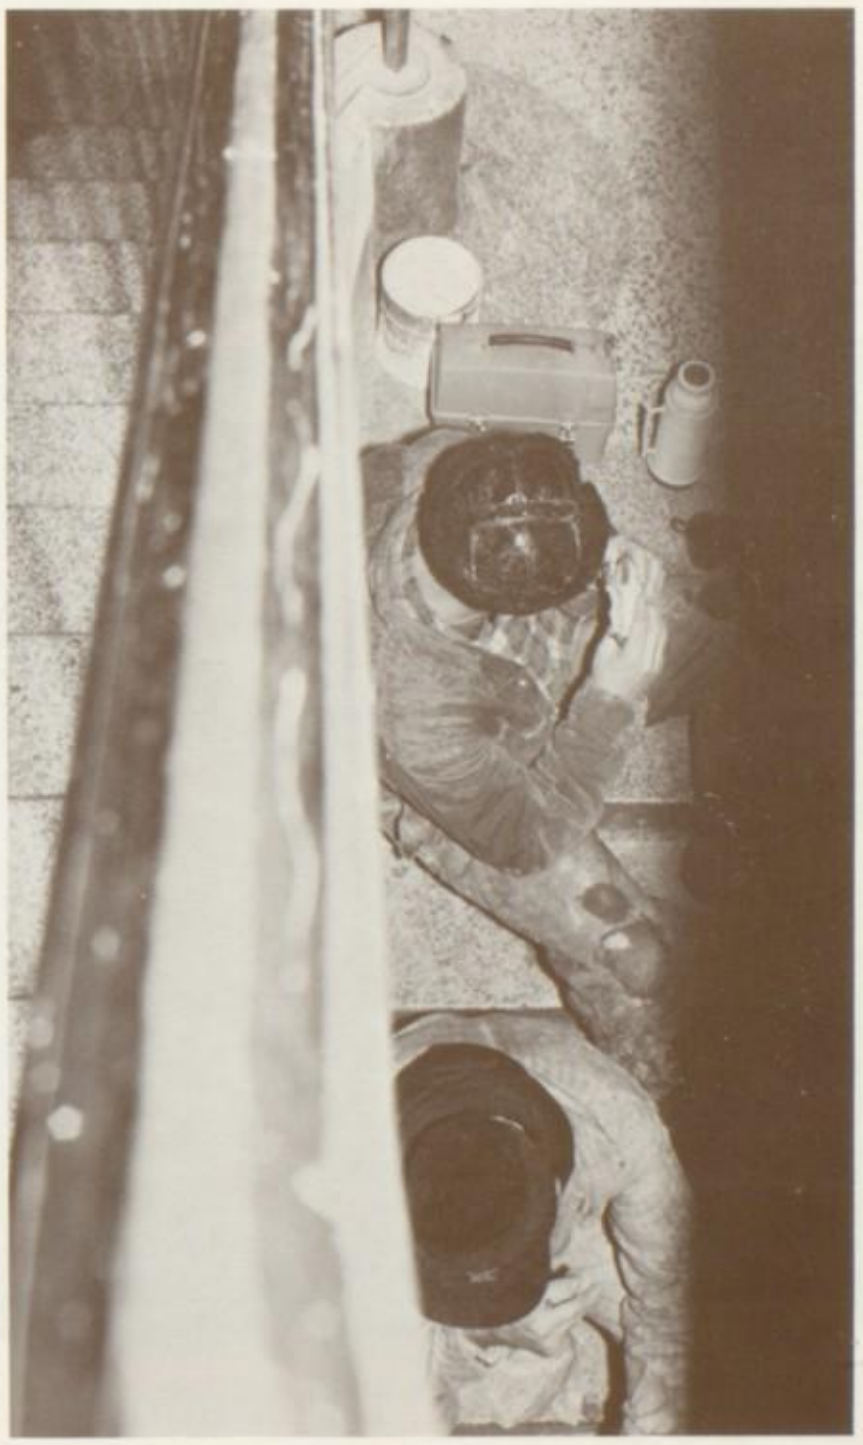
Construction Finally Draws to Completion



Under construction for almost two years, Rock Island Senior High School's new addition is finally reaching the home stretch.

1966 saw the opening of Rocky's expanded cafeteria facilities. The first half of 1967 viewed the opening of the new concourse, connecting one arm of the school to the other.

The project has cost $1,500,000 and will provide R.I.H.S. with two new music rooms, and new Chem-Phys section, and over twenty-two general purpose classrooms.

Originally scheduled for opening in September of 1966, the project was hampered by many problems. The date has been set back to September '67.

BUT, OF COURSE, seniors usually win – not for volume, but seniority!

Fifty-five minutes per period; six periods a day; four days a week. Come Friday and it all changes. The periods are shorter and those fifty clipped off minutes add up to one thing – assemblies.

The Friday assemblies covered a broad range of topics ranging from sand painting to morality. All the assemblies can be characterized as interesting.

As an added feature, pep sessions followed each program during the athletic seasons. Sophomore, sub-varsity, and varsity cheerleaders led the student body in cheers. They also conducted the traditional class pep contests to pass judgment as to which class was the most spirited. Assemblies served to add variety and general spirit to school routine.

Board of Education

MEMBERS OF THE Board of Education who are elected to solve the problems of Rock Island's school system are SITTING: William Bell, Mrs. Carol Kimmel. STANDING: Fred Patton, Maxwell G. Larson, Ted Arnold.

WILLIAM BELL, PRESIDENT, leads a discussion on the .rious problems of the school system.

The Rock Island Board of Education performs many services which benefit the students of Rock Island High School. The Board, headed by William Bell, hires new personnel, decides on policies concerning the school system, organizes the curriculum and provides funds for the various progressive educational functions. The Board took under careful consideration the purchasing of equipment for the high school's new wing. Vapor lights were bought for the exterior of the modern addition.

Mrs. Kimmel and Mr. Patton are on the salary committee, which is composed of administrative teachers and representatives from the school board. Mrs. Kimmel and Mr. Bell are also on the Governor's Task Force, a committee for investigation of calls for revision in the educational programs in Illinois.

CHARLES O. AUSTIN, Superintendent of Rock Island Public Schools

Charles O. Austin, Jr., former principal of Rock Island Senior High School, is the new superintendent of the Rock Island Public School System.

After one year in the role of Assistant Superintendent, Mr. Austin became acquainted with his new duties.

Mr. Austin is responsible for acquiring an adequate amount of teachers and an efficient maintenance staff.

Another of the Superintendent's varied duties is making official and unofficial visits to the schools.

Charles O. Austin, Jr., former principal of Rock Island Senior High School, is the new superintendent of the Rock Island Public School System after one year in the role of Assistant Superintendent.

Mr. F. W. Aspedon, principal of Rock Island Senior High School presides over school activities which pertain to the students and teachers. His most obvious duty is that of announcing the current school events over the public address system each morning. Mr. Aspedon is also available to confer with students who do not wish to take their problems to the deans.

Mr. Edward Evans, assistant principal, takes over whenever the principal is not available. Mr. Evans is the Senate advisor and the school's chief disciplinarian.

MISS LIEBBE works diligently at her desk.

The deans and counselors, whose responsibilities range from setting up curriculum schedules to counseling varied student problems, reach far beyond their call of duty.

The deans are in charge of keeping accurate attendance records, supervising educational policies, and making students aware of monetary and honorary scholarships.

Working with them, the counselors hold a conference with every student at least once a semester and assist the student in making his vocational choice.

The counselors sponsor a College Night for all Juniors interested in attending college and a Career Day for interested Seniors. They administer all mass testing programs and interpret the test scores, and serve as chaperones and advisors at school dances.

English

More and more, communications are becoming a necessity in the quickly changing world of today. To meet this need, the English department at Rocky expanded its program to provide students with a more broadly based rhetorical background.

This expansion was most evident on the Sophomore and Junior levels. The traditional program was modified into a two-part effort. First, the teaching of the basic English skills (reading, composition, etc.) was carried on. Secondly, students were provided with the opportunity to dig deeper and develop more advanced English skills.

The year was also marked by an increase in the use of "team teaching" and audio-visual aids.

Again this year, the 12C College English course was offered as were courses in grammar and creative writing.

Language

The Language Department offers Rocky students the opportunity to communicate through Spanish, French, German, and Latin. This year the Department admitted two new teachers: Miss Anderson, who taught both German and French, and Miss Haberthur, a Latin teacher. For those who took German, a fourth year class was offered for the first time. The language lab received new equipment for use by practice teachers who came from various colleges. New window shades were also provided for the lab by the Pan Am Club.

Mathematics

This year the mathematic teachers introduced a new concept for revising the math department. Presently, there are two tracks, one for the average student and another for the accelerated student. A third level is being planned for the immediate future. This new level will enable the average student to further his study into higher mathematics.

The department recently adopted a new algebra text which will help the advanced algebra student develop a better understanding of the course.

Science

The Science Department was the scene of many exciting breakthroughs this year. New books and equipment were the outstanding additions to the Department.

The course of study for all Sophomores was required Biology, part of which was based on the B.S.C.S. method. Next year, the B.S.C.S. yellow version will be the basis for all Sophomore classes.

Upperclassmen could elect courses in Regular, Nurses and College Chemistry, Advanced Biology and Physics. For advanced students a dual Chemistry-Physics course, filling two class periods per day, was offered.

DARING SCIENTISTS, Dave Breck and Reggie Tygret, sample their latest concoctions in college chemistry lab.

This is the phase of Biology that all sophomores anxiously await—dissection and microscopic work. Taking notes and drawing diagrams is also an important part of the course.

Business Education

Timing, dictation, shorthand, figures, and projects plague and enhance the lives of Rocky students of Business Education. Many of tomorrow's businessmen and women are among these students who today growl at a missing typewriter ribbon or grin at a finished project.

Students this year could elect courses in Typing, Bookkeeping, Business Arithmetic, Personal Records, Stenography, Secretarial Training, Clerical Practice, and a new subject, Retailing.

The administration of the department changed hands as Mr. Kenneth Johnson succeeded Miss Carrie Ekblad to the post of chairman. New Business Education Teachers Miss Sharon Butterfield, Mr. Larry Anderson, and Mr. George Franck added to department efficiency. The department worked as a whole to prepare students to face the challenge business presents.

Mechanical Arts

During the past year, the Manual Arts Department was a kaleidoscope of change. All divisions of the department were renovated, either by the acquisition of a new instructor or new equipment or both.

The Machine Shop obtained new power equipment, while the Mechanical Drawing division was given drilling machines. Wood Shop acquired new hand tools, two new lathes and the services of a new instructor. Print Shop, also under new leadership, continued serving the school by running off posters, tickets for school activities and many other items.

Marked by spattered smocks and sticky fingers, Rocky art students expressed themselves in myriad media. Speech Department

The students in Rock Island High School's ten speech classes learn to interpret prose, poetry, oratory, and plays. They also learn to develop poise, dependability, courtesy, and platform and stage techniques.

The students had an opportunity to apply all of this basic training in a series of speech contests and play productions.

There are five annual plays presented under the direction of Miss Dorothy Peterson. The funds from the Junior Class Play go towards the Prom.

Driver Education

As statistics indicate extreme increases in deaths and injuries resulting from automobile collisions, the Drivers Education Department has endeavored to produce well-informed and instructed young drivers.

All sophomores receive a term of classroom instruction which acquaints them with the operation and safety factors involved in driving and the results of not utilizing such knowledge. The ultimate hope is to impress the theory of "defensive driving" upon the students.

Upon successfully completing the classroom phase of Drivers Education, a student may elect a semester of behind-the-wheel training. Using cars provided by several local agencies, aspiring young drivers are given the chance to put their knowledge to use.

Girl's Physical Education

This year the girl's physical education department offered a well-developed program of activities including softball, track, field hockey, soccer, archery, golf, tennis, basketball, volleyball, swimming, gymnastics, and recreational games.

Juniors took part in a First Aid course and seniors were given a three week course in Survival and life in a fall out shelter.

New locker room facilities were added under the girl's gym, providing more needed space for the increasing number of students.

Starting out on a bike hike the fifth period gym class goes through their daily exercises under the direction of Mrs. Nash.

While the weather was chilly outside, the boys stayed inside to work out on the even parallel bars.

Boy's Physical Education

A new formal policy has enabled the forward progress of the Boy's Physical Education Department. Other factors contributing to the change were a newly developed curriculum, a professional library, a new series of instructional films, and new equipment. Weight training, flickerball, and shuffleboard were added to broaden the comprehensive activity program.

The immediate and long range goal of the department is to provide more individual instruction by the addition of more staff members.

Two Senate representatives, Vicki Keith and Linda Holzer, change records during the lunch hour.

Lost books are also the responsibility of the office staff.

Office Staff

You can hear rumors anywhere. But for straight information, head for the office and ask one of the staff.

These "girl Fridays" handle the who, what, why, when, where—the daily flow of detail that keeps the school and its administrative nerve center working smoothly.

They can sell you tickets to a game, furnish insurance blanks, tell you if a lost book has been found. They type and telephone, prepare forms and tests, handle money, process reports, and answer questions with a smile—even on Mondays.

Rocky's efficient office staff pauses from their busy schedule.

Cafeteria Staff

CAFETERIA STAFF members pause from their kitchen work. They are, FRONT ROW: Lorena Drisk, Marcella McCormick, Lola Randerson, Betty Nimrick, Blanch Fellows, Margaret Dunlap, Arline Baugher, Dorothy Broutsche, Evelyn Nichols, and Clara Hannon. BACK ROW: Roselle Jackson, Lorene Masterson, Lorraine Hender, Edith Teuscher, Martha Johnson, and Dorothy Novak.

Maintenance Staff

OUR TIRELESS and faithful maintenance staff members are: FRONT ROW: Kenneth Lowe, Guy Hodsen, Helen Nanke, Harold Utke, and William Woods. BACK ROW: Clarence Bell, George VanDenBreen, Ralph Hallin, Clarence Dusenberry, and Fred Wedeking.

Senior Class Provides Leadership for '67

SENIOR CLASS OFFICERS are: Jo Swedburg, vice-president; Sandy Salstrom, secretary; and Floyd Rose, president

"Though the future years may part us
Still together now
Faith and love to old Rock Island
Ever more we vow."

The refrain dies down and the class of sixty-seven marches out of the fieldhouse, their senior year climaxed.

What Kind of year was it? Of all the three years of high school, the Senior year is perhaps hardest to describe. No one word can do it justice. No long discourse complete enough.

Undoubtedly it's the standard things, the courses, the teachers, and the clubs. But the senior year is something more. Somehow, there are no officers like the senior officers, or prom like the senior prom; no year like the senior year.

The closest one could come to an accurate summation would be "self-inspection striving for self-perfection." For with its memories and its singularity, the senior year also brings introspection.

Seniors begin to look back on their final year, noting all that they've done—and all that they've missed. They begin to see themselves in a new light and, perhaps, get a glimpse of how they'll shape up as adults.

And so the Senior class of nineteen sixty-seven leaves R.I.H.S. unique in its own right, yet basically no different from any other senior class, past or future.

Juniors Join Seniors as Varsity Members

Wedged between the balcony and the first row, a junior finds himself at the midpoint, a highlight of his high school years. This has its advantages and disadvantages. He is no longer a harassed and persecuted sophomore; he has not the worries of a senior. On the other hand, he does not have the sophomore's excuse for seeming ignorant, nor the senior's prestige. Nevertheless, he is important—and unique.

Enjoying his new status, a junior smiles at the fumbling sophomore, outcheers him at the first assembly, and seldom it be known that **he** was ever one. His old friendships strengthen, and new ones develop as he begins his junior year in a class of 726.

As the year progresses, he finds new interests and cultivates the old. Having had a general glimpse of literature as a sophomore, he turns specifically to American literature, studying **The Scarlet Letter** and **Huckleberry Finn.** At the same time, he studies his country's progress in American History. In sports, he is no longer a "pebble" and, given the opportunity, he helps his team to a varsity victory. He becomes more active in school events, playing the roles of both leader and follower.

He takes the PSAT and the ACT, suddenly realizing how quickly three years can pass. Yesterday, he was an adolescent, preparing for high school; tomorrow, he will be preparing for college. Class rings and college night bring him closer to the senior year, which he awaits with mixed emotions.

JUNIOR CLASS OFFICERS are: Paul Meincke, vice-president; Tom Chappell, president; and Penny Gorsech, secretary.

Sophomores Enter an Expanding High School

At first, it is enormous, that massive structure rising formidably to the Rock Island sky. Its halls are a labyrinth of confusion; its population, seemingly innumerable; its days, endless. Stunned by the vastness of it, a sophomore enters Rocky.

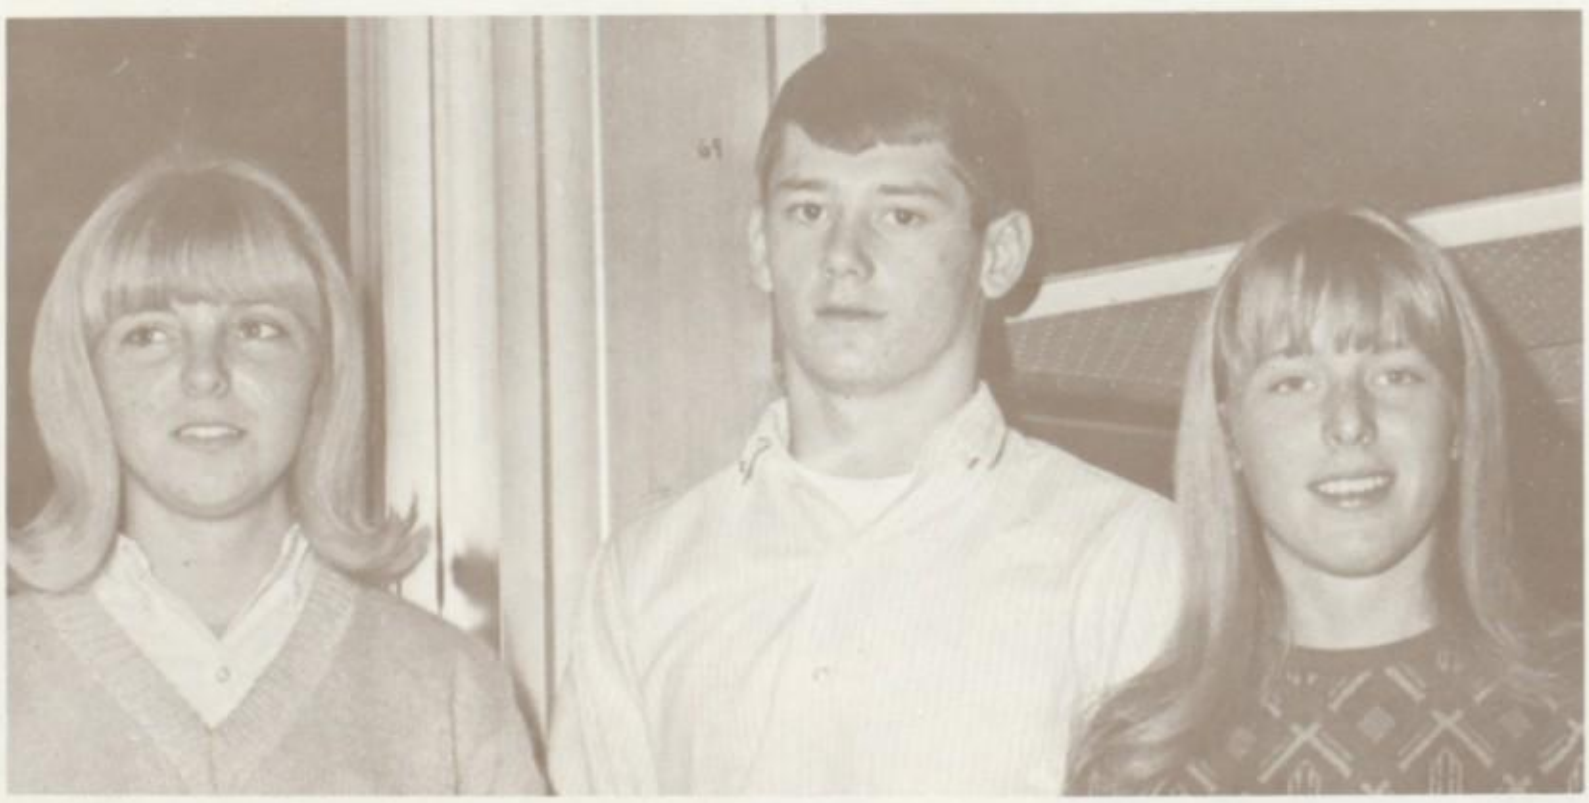
But he does not remain stunned long. Like an explorer embarking on a new adventure, he is spirited and enthusiastic. His curiosity and eagerness to begin overcome his first doubts.

In entering high school, a sophomore's position relative to other people changes. He is no longer the advisor, but the seeker of advice. One in a class of 803, he makes many new acquaintances and discovers different kinds of people.

Thrust into a new situation, the sophomore faces new challenges and finds new fields of interest. Amid exclamations of surprise, distaste, and wonder, he probes the inner workings of a frog. He glimpses a wide range of writers and literature styles, from a Shakespearean tragedy to a delightful short story by Thurber. He studies Drivers Theory in anticipation of a seat behind the wheel.

A sophomore is a contradiction, even to the name "sophomore", from the Greek "sophos", meaning "wise" and "moros", meaning "foolish". He is full of questions and answers, uncertainty and determination, criticism and pride in his school. He makes some foolish mistakes, but he learns to laugh and to profit from them. And, having made them, he is wiser.

Through his questions, mistakes, observations, and successes, he gains knowledge. And somehow, as the hours stretch to days, weeks, and six-weeks, the vastness seems less vast; the crowd takes on faces, expressions, and personalities; the halls become a familiar and somewhat ordered chaos. And the sophomore is not entirely the same person.



SOPHOMORE CLASS OFFICERS are: Bonnie Wagner, secretary; Mark Gilliam, president; and Patty Scott, vice-president.

Bowling and Intramurals Head the List of Act

FRONT ROW: Mary Jo Boynton, Chris Paul, Sheryl Davis, Dee Dee Detwiler, Vicky Mellinger, Diane Eckjart. SECOND ROW: Kathy Ryan, Pam Willet, Patsy Bell, Doris McDaonald, Jane Erie, Cari Sheets, Vickie Keith. THIRD ROW: Betty Birkahn, Kathy Eggar, Julie Carlson, Tee Dorhn, Nancy Rogers, Jo Swedberg, Chris Morrison, Ann Klingbell.

GAA, in promoting good sportsmanship and interest in many sports, had a very successful year. Membership boomed as girls actively participated in intramural sports after school to earn the 24 points required to become a member. Led by Cari Sheets the officers and cabinet planned many exciting and worthwhile events.

The highlight of the year was the annual slumber party held in February, at which the informal initiation of new members took place. Formal initiation of new members was in January.

SPIRITED GAMES EMERGE as GAA'ers stay for intramurals, after school.

STRANGE THINGS CAN be seen as girls jokingly work out in the lower gym.

GAA MEMBERS take advantage of intramural bowling activities.

LANES ARE FILLED at Town & Country as girls bowl for GAA points.

Other activities included a Hard Times Party, playdays, a Silly Supper for the mothers, and a campout. Also, GAA was responsible for the Homecoming Dance in October, taffy apple sales at lunchtime, and a concession stand during a football game.

In all of these activities, as well as in track, archery, volleyball, basketball, bowling, swimming and other intramural sports the GAA members had a very successful and enjoyable year.

PLANNING THE VARIOUS activities for the year are the GAA officers – Cari Sheets, president, Julie Carlson, vice president, Sherril Davis, Secretary, and Mary Jo Boynton, Treasurer.

GAA Activities Develop Sportsmanship

GIRLS GYMNASTICS GETS rough sometimes, but this is going a little too far.

WHAT FUN IS volleyball without a huddle? A barefoot one at that.

A JUNIOR DEMONSTRATES her skill in gymnastics on the balance beam.

AFS MEMBERS are; SEATED—Herbert Koschier, Janina Teixeira, FIRST ROW—Sandy Meyers, Jeff Gersick, Brice Anderson, Norm Anderson, Don Madelung, Nancy Rogers, Virginia Ridlehoover, Betsy Erb, Susan Day, Sherrill Davis; SECOND ROW—Jean Bennett, Debbie Glassner, Ann Klingbiel, Laura Swedberg, Ed Blick, Palmer Boynton, Marsha Maurus, Leanna Nelson, Linda Lindstrom, Linda Collins, Jeri Herman, Patsy Bell, Barb Goldstein, Beth Slivken, Vicki Mellinger, Mary Jo Boynton.

The American Field Service program brings Rock Island High School in touch with foreign students from all over the world. Over the years, since 1955, Rocky has hosted 22 AFS students from 15 different countries. This number includes this year's foreign students Herbert Koscheir from Vienna, Austria, and Janina Teixeira from Sete Lagoas, Brazil. The AFS program also sponsors a service called the Americans Abroad program, in which a Rocky student visits another country for a summer or a full year. Since 1955, eleven Rocky High students have studied in nine different countries under this program. Miss Florence Leibbe has been the AFS advisor since the origin of the committee at Rock Island High School.

HERBERT KOSCHIER PAUSES from eating at the annual AFS picnic.

A business meeting, followed by a program of entertainment and refreshments, was the usual format for the monthly meetings held by the Boys' Hi-Y Club at the Rock Island YMCA. At these meetings club members planned their projects to serve both the school and the community.

Club members contributed to charity drives from dues collected. They sponsored a Kiwanis Queen candidate for the annual Kiwanis Carnival. Proceeds earned at this carnival enable one foreign student to attend Rocky each year.

Entertaining programs rounded out the clubs activities. Members boarded a bus for their annual fall excursion to Iowa City to see the University of Iowa football team play. They also combined with GAA for volleyball and other group entertainment at the annual Co-Rec night.

The Hi-Y Club cooperated with the Y-Teens in sponsoring Easter Lenten services for all those students who wished to attend. As a final project the club sponsored an after-game dance. Dance proceeds went into the organization's treasury to serve as the nucleus for more worthwhile projects by this, one of the largest students clubs at Rocky.

Qualities of Members

Hi-Y members make good use of the local YMCA in leisure time.

Planning activities for this year are—Ed Zaleski, secretary dent; and Tom Dreesen, Jerry Murphy, chaplains.

EACH YEAR, THE Hi-Y members present their Easter Lenten program in conjunction with Y-Teens. Roger Elsbury rounded up these Hi-Y members to help in the preparation of the services. Making their plans are Don Madelung, Spike Bloom, Roger Elsbury, Mike Crow, and Jeff Blaser.

A Y-Teen Member

Under the leadership of the new Y-Teens advisor, Mrs. Gerald McKinney, the Young Women's Christian Association aided the community through drives such as the Poppy Sale and the Muscular Dystrophy Drive. It enabled its members to grow in friendship and understanding through service projects, parties, dances, and interesting programs.

The Y-Teens started off the funfilled year with a splash-a-swim followed by a potluck supper with a choice among dozens of delicious salads. The organization completed its next project, the Homecoming Royalty float in time for the festivities. Each was appointed a big sister, who kidnapped her by surprise on an October morning and carted her down to the YWCA, pajamas and all, for a Big-Little Sister Breadfast Party. Y-TEENS DISCUSS Future events in the activities of the Y-Teens.

Working in Y-Teen sponsored bake sales, car washes, and concession stands, members contributed to the club treasury. The Christmas spirit of joy prevailed as members caroled in downtown Rock Island and participated in the annual Hanging of the Greens.

Club activity came to a climax with the approach of the Y-Teen sponsored Sweetheart Swirl. To attend this semi-formal, girl-ask-boy dance, each Y-Teen member is required to have participated in two club meetings. The year's activities were brought to a close with the Freshmen Hello and the traditional Senior Farewell.

Pep Club Cabinet and Officers Unite Club

Spirited girls swelled Pep Club ranks this year and elected a cabinet of capable Juniors and Seniors. Cabinet members helped to promote sportsmanship and school spirit in Rocky athletic activities. Dressed in clown outfits, they presented an amusing spirit-sparking skit in the Homecoming assembly.

PLANNING PEP CLUB activities for the year are: Kathy Everingham, vice president; Tee Dohrn, president; Patsey Bell, treasurer; and Mary Jo Boynton, secretary.

OUTSTANDING IN their white blouses, the PEP section stands to follow the cheerleaders in cheering for the team.

Rocky Fans Cheer Team to Victory

THE PEP CLUB reserves a special cheering section at the football games, too. The cheerleaders know how to rouse the crowd to their feet.

"CHEERLEADING is a pretty rough job at times" quips Doris McDonnell.

A white blur of enthusiasm, an encouraging cheer, a momentary sigh of disappointment, and a glowing victory smile: these mark Rocky spirit as expressed by members of the Pep Club. Donning white blouses, these Rocky representatives took buses to away games, promoted pep in the Homecoming assembly and sold promotion ribbons. The spring picnic ended the year appropriately.

PEP CLUB skits bring pandemonium to the audience.

DOLPHINETTES OFFICERS ARE: Julie Carlson, President; Ann Klingbiel, Vice-President; Cathy Ryan, Secretary; and Chris Paul, Treasurer.

"NOW REMEMBER GIRLS, Dolphinettes practice is more important than boys.", counsels Coach Ackerson.

Girl's Swimming Squad Leaders Plan Events

With a swan dive and a splash, the Dolphinettes, one of Rocky's fastest growing clubs began its second season this year. Among other activities, club members took school spirit to Rocky swimming meets.

Tryouts were held to limit the number of participants in the annual show. Those who were not chosen to perform helped with the scenery, lights, costumes, make-up and script. The girls practiced on the show before and after school and on weekends. Directed by Mr. Gary "Coach" Ackerson, the Dolphinettes presented the show's theme, "A Trip Around The World".

TAKING A BREAK from the rigid practice schedule are Dolphinettes members Julie Carlson, Jo Lindblom, Kathy Everingham, Trish Williams, Debbie Simmon, Linda Flodeen and Sandy Blomgren.

Pan-American League Provides Members

ALL HAD a good time when Dr. Doreste came as a guest speaker.

A hope for increased understanding and international cooperation surrounded the first meeting of Pan-American League and set the mood for meetings to follow.

The league cooperated with other clubs to obtain curtains and window shades for the language lab. As in other years, it gave awards to members for service projects and active participation in club activities.

The December Pinata Party threw Spanish light on the Christmas season at Rocky. Displaying the influences of both Spanish customs and current fads, the pinatas ranged from bull-shaped to paisley.

Brazilian foreign exchange student Janina Teixeira shared with the group her understanding of South American life and customs.

The Spring Pan-American League Banquet brought the year to a successful climax.

Members of German Club Have Active Year

The German Club, composed of 50 members, soared through another year of picnicking and partying. One of its highlights was the traditional Christmas party, which included the Christmas tree and Kris Kringle. Also, this year's foreign exchange student, Herbert Koscheir, spoke to the group about German customs.

Heading the German Club for this year are: Ken Keilly, president, Bill Bertelson, vice president, Gail Andich, Secretary and Sandra Dotson, Treasurer.

Roman Culture Studied by Latin Club Members

PLANNING THE program for the next Latin Club meeting are Miss Haberthur, the club's sponsor, and president Karen Bruhn.

"CIBUS OMNIBUS". Food for all!, rings out at the Latin Club Christmas party.

Latin Club this year, under the leadership of Karen Bruhn, was very busy. Keeping up with the Roman theme, the club showed movies on Caesar, had a "Satranalia party" during the Christmas season, and took part in the food tasting party. Their highlight was the Roman Banquet held in the spring.

"WHO'S GOT THE REFRESHMENT?" asks vice-president Kathy Kepes. Other officers are Karen Bruhn, president; Linda Hibbard, secretary; and Cliff Cobert, treasurer.

Diversified Occupations Looks to Future

Neither rain, nor sleet, nor snow, nor hail shall keep the CRIMSON CRIER from the mail. This was the spirit maintained by the first and second semester staffs of the CRIMSON CRIER, Rock Island High School's bi-weekly newspaper. The fall semester staff was hampered by the loss of several staff members, leaving only four-teen students to shoulder the burden. Under the adept leadership of Malcolm Dalkoff and Jayne Erie, co-editors-in-chief, the first semester journal lists took on extra duties and assignments in an effort to fill the vacancies on the staff as well as their own particular positions.

The first objective of the Camera Club is to teach each member the correct use of the camera and darkroom equipment. Each year the Camera Club takes part in several trips. This year they visited Haines Photo Studio, the Argus photo lab, Deere and Company's photo laboratory, and Wagners Printing Press where professional techniques were demonstrated and explained. Members get a chance to display their photographic skills by participating in the club's monthly photo contest and by helping in the taking of pictures for the CRIMSON CRIER and the WATCHTOWER. Camera Club joins with the Science and Electronics Club to form the Science Council.

CAMERA CLUB Officers try to straighten out their jumble of negatives to meet the demands of WATCHTOWER and CRIMSON CRIER. They are: Greg Stone, president; Dave Downing, secretary-treasurer; and Jim Brennecke, vice-president.

Watchtower Staff and Junior Assistants Combine Efforts

"SEE, I told you so." Linda Collins prompts Jack Grommoll in spelling.

Time—1967—affected every Rocky student differently. For some, a year of it flitted by in a blurred instant. Others impatiently counted every month, week, day, hour, and second.

But to the 1967 **Watchtower** staff, it seemed that time moved faster in Room 217 than in any other room in the entire building. Deadlines loomed ahead and passed quickly. Few **Watchtower** periods went by without at least one wish for a thirty-six hour day.

Time surrounded every action. "Be up

"I'LL TAKE three." Assistants hurry to meet **Watchtower** order demands.

WHAT'S THIS! A typewriter empty? Somebody must be loafing.

During 4th Hour

from lunch on time" became the daily word. Layouts and photographs piled up quickly on tables, desks, and file cabinets. In one corner, four sad typewriters beat out 260 pages of copy.

In the process of making a yearbook, there were awkward moments, trying moments, and hectic moments.

But when the time was gone, the staff found a moment of satisfaction in having recorded the story of a year at Rock Island High School.

EDITOR LINDA Lindstrom seems to be up to something devilish again.

JUNIOR ASSISTANTS learn their skills early. They are: Norm Anderson, Penny Gorsuch, Kathy Kepes, Dave Rockwell, Betsy Erb, Deggie Brasier, Diane Jagger, Vicki Weindruch, and Vicky Mellenger.

PLANNING SPORTS ACTIVITIES are Lettermen cabinet members, LEFT TO RIGHT: Bob Sager, Mike Taylor, Dave Thonn, Jim Savage, Jim Slack, Frank Sykes, Kent Thomas, and Greg Hockett.

Full of optimism and competitive spirit, Lettermen embarked on a successful year. Members of the Lettermen's Club came from the football, tennis, track, baseball, basketball, wrestling, and swimming teams and had at least one major letter in one of these sports. Membership in the club enabled them to participate in other sports as well. When they were not representing the school on the field, they donned letter sweaters and ushered.

Senior Glee Ends Season on a High Note

Chords lost occasionally during the practice of the Rock Island High School Senior Glee Club emerged as pure harmony at its performances this year. The seventy-one Junior and Senior members found in the club an opportunity to express themselves musically. They improved their abilities through training in tone quality, breath support, rhythm, pitch, intervals, reading and diction.

Exchange assemblies, Senior Citizen's programs, World Day of Prayer services and the Spring and Fall concerts accented a successful year.

THE SOUNDS OF MUSIC bring smiles of enjoyment to the faces of Senior Glee officers: Linda Graupner, Treasurer; Janan Tacey, Secretary; Julie Carlson, Vice-President; Bill Newton, President.

Orchestra Offers Means of Expression

Mr. Allen was a new addition to Rocky's music department this year.

Under the new and skillful direction of Mr. David Allen, orchestra began a successful season. A small string ensemble started the year off well by supplying informal entertainment at Open House. Band members did double duty as the orchestra concert approached. Orchestra provided a wide variety of excellent music for school and community.

Basketball, Pep Band Makes Music to Cheer by

As concert season approached, the band moved its activities inside and prepared for the presentation of its traditional winter and spring concerts. With the increasing number of band members, a practical change took place in the Rocky band this year. The large band became two separate groups known as the Red band and the Gold band, each rehearsing at eight o'clock on alternate days of the week.

Aside from the regular activities for the band during concert season, many members participated in other musical activities. The woodwind and brass sections were grouped into ensembles to perform in front of many different audiences in the area. The dance band entertained at exchange assemblies and Rocky assemblies. The pep band, a familiar sound at home basketball games, provided vigorous music to promote pep and school spirit. This enthusiastic group of band members played an important part in boosting the Rocks on to victory.

Despite the hopes of many anxious seniors, the new band room, a vital part of the expansion program, was not completed in time for effective use. Regardless of crowded conditions, the band did its best this year. The instrumental music department is an essential part of the framework of Rocky.

"Teahouse" Comes to Life by Rocky Dramatists

THE DRAMATIC CLUB, sponsored by Miss E. Dorothy Peterson, head of Rocky's speech and drama departments, reached record membership as the students provided their own intriguing programs.

At the first meeting slides were shown of the European trip taken last summer by the High School Adventure Program. Other programs included acting out original skits, folk singing and presenting the Dramatic Club Play, "Teahouse of the August Moon," which, along with the dues, provided the Club with its treasury. A Christmas Party highlighted the year.

The Club's activities were brought to an end with a Theater Party, where the club members took in a movie showing at a local theater, and the traditional Thespian Banquet given for all students who had earned ten points through participation in plays and speech contests.

DRAMATIC CLUB OFFICERS for this year are: Larry Erikson, president Nancy Cooper, treasurer, Jody Schneider, secretary, Greg Shoemaker, vice president.

MAKING UP THE male part of the cast in the play, "Goodnight Mrs. Puffin", are Ed Butsott, and Glen Hunter, seated, also Dennis Coplea, Tom Naab, and Burt Tucker.

Speech Class Stages "Goodnight Mrs. Puffin"

With the combined efforts of Speech I, II, and III students, Miss E. Dorothy Peterson skillfully directed the annual Speech Department Play to its successful presentation of "Goodnight Mrs. Puffin," on January 19, 1967. The classwork of nearly all Speech students was put into actual "stage-use" that night.

Extrasensory perception was the basis for this story in which kindly old Amelia Puffin, excellently portrayed by Marianthe Gartelos, revealed the future of the Fordyce family which she foresaw in her dreams. Mrs. Fordyce, characterized by Fran Johnston, refused to believe Mrs. Puffin's knowledge of her daughter's wedding being called off, but this seemingly ridiculous premonition, along with several others, came true and resulted in an ironic comedy play with audience appeal.

"MISS PETE" listens to individual monologue during her Speech II classes.

SCIENCE COUNCIL takes care of the demand for food at games.

The Science-Electronics Club welcomes all students who have an interest in any phase of scientific knowledge. Programs this year included lectures by college science professors and free discussions on current topics in the realm of science.

In one outstanding project, club members launched homemade rockets from the front campus. Members also spent much time working on projects for the Science Fair.

Tasks of Council Vary Field to Stadium

SCIENCE COUNCIL CABINET members are: Ron Arnold, Dave Downing, Jim Brennecke, Bob Goldman, Greg Stone and Bill Bertelsen.

SCIENCE MEMBERS say, "Really Smoky we're not starting firest fires."

The Science Council participated in a wide array of activities during the school year. High-lights included a field trip to the Quad-City Airport to tour the Weather Bureau and a trip to the new John Deere offices. Movies, lectures and demonstrations also provided interesting programs.

MEMBERS OF Science Club halt their experiments to collect unusual treasures.

FTA OFFICERS ARE: Pat Linden, public relations; Judy Sylvester, treasurer; Vicki McSparin, president; Betty Birkhahn, vice president; Beth Slivken, secretary.

Students Sit on the Other Side of the Desk

Future Teachers of America is a club for all students who are considering a career in education. The fifty members of this year's FTA were active in many areas.

FTA sells football programs and activity calendars. Its programs range from movies to pizza parties. Members are active in the Blackhawk Division and State FTA and hold offices in both.

RELATING SOME OF her own experiences, Miss Liebbe provides an interesting program for an FTA meeting.

CAUGHT IN THE ACT of snitching another piece of pizza, Vicki McSparrin thoroughly enjoys the FTA Pizza party.

Future Nurses Aid Stricken Students

MISS BACON is the sponsor of the Future Nurses.

Future Nurses of America is a club for girls who are considering a career in nursing. The members of this organization learn through guest speakers, service projects and many other activities, of the rewards in this occupation. To gain an insight of what the future might hold, aspiring nurses are given a chance to assist in the clinic.

FNA MEMBERS Evelyn Brandel and Kathy Denecker serve as clinic assistants.

LEARNING HOW to check a pulse are the officers of FNA. They are: Karen Keane, secretary; Janet Lockhart, vice-president; Ellen Dover, president; Kathy Denecker, treasurer.

FTA MEMBERS Emmie Quinlan, Linda McFate, and Connie Allcot thought it would be lots of fun just to whip up a little cake. Here it's ready for the oven.

Learning to Eat What You Cook is Skill

Girls interested in homemaking found Future Homemakers of America rewarding this year. The primary purpose of the association was to create interest in home activities and the social graces of modern living.

As in the past, Future Homemakers served our school well through its activities. One of the big events of the year was a cooking contest in which Rocky boys served as judges.

IT PROVED FUN to make the cake, but now comes the real test. The girls are required to eat their own cooking. Not bad!

OFFICERS OF THE Future Homemakers of America are: Jane Maltzburger, secretary; Pat Randerson, president; Ruth Willers, vice-president; and Margie Purvis, treasurer.

Two Jr. Rotarians Appointed Each Month

JOHN PEPKE and Jim Slack eagerly prepare to attend a Jr. Rotarians dinner at the YWCA.

Guided and sponsored by the Rock Island Rotary, the Junior Rotarians form an honorary club at Rocky. During the year, the faculty selects eighteen boys to be honored for leadership and scholastic achievement.

Each month, two Junior Rotarians attend Rotary meeting where they hear discussions on a multitude of international, state, and local problems. While Junior Rotarians has no true club structure, it represents Rock Island High School at Rotary meetings through-out the year.

TWO SENIOR boys are chosen each month as Jr. Rotarians. Serving for this year are, SEATED: Craig Shoemaker, Jim Savage, John Clark, Bob Barbee, and Chuck Austin. STANDING: Bill Bertelsen, Rich Hansen, Tom Dreessen, Tom Peschang, Jim Slack, Dave Breck, John Pepke, Floyd Rose, and Palmer Boynton.

KEY CLUB CABINET are: Ernie Jones, John Harder, Jim Slack, John Pepke, Jim Savage, Ted Spurgetis, and Doug Gillette.

The Key Club, a junior branch of the Kiwanis Club, is in its third year as a service organization at Rock Island High School. Members achieve the organization's goal—service to the community—in several ways.

Projects this year included a soap drive for the Dixon State Hospital and sponsorship of queen candidates for the annual Kiwanis Karnival. Club members select new members from faculty nomination.

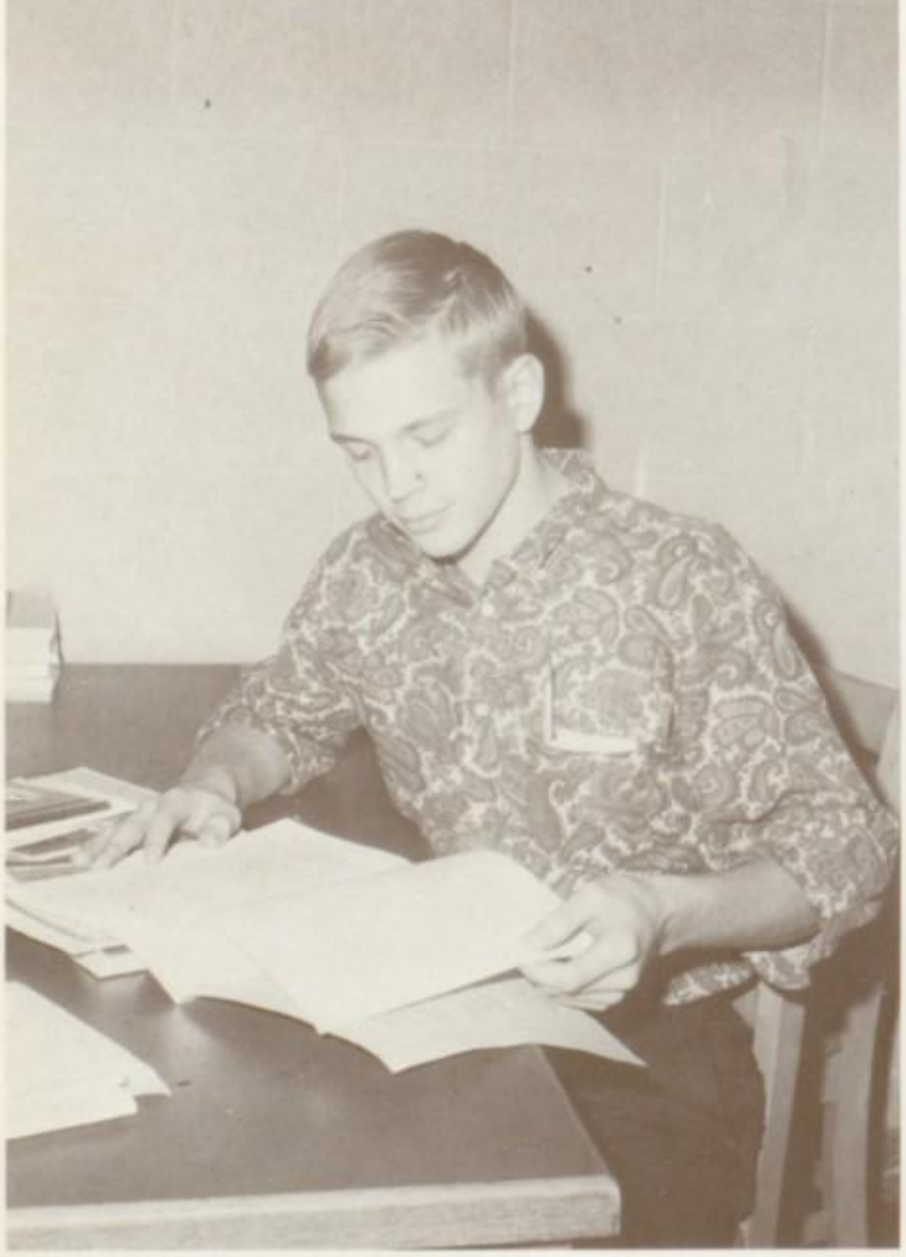
Rocky's Debate Team Takes State-Wide Honors

Twenty-eight Rocky debaters plunged headlong into the fields of presentation, debate, radio communication, and extemporaneous speaking. Seventh period every day found room 146 ringing with resounding eloquence and original oratory. The debate team set its sights on the Augustana Debate Tournament, the Sterling Invitational, and the Sectional at East Peoria, and prepared itself in numerous practice debates which probed into widely varied aspects of the foreign aid program. Mr. William Armstrong gave advice in technique and presentation.



MANY HOURS OF Research are required to present a convincing debate needed to attain high Debate Club goals this year.

DEBATE COACH WM. Armstrong patiently listens to rebuttals during debate practice.

YOUTH FORUM OFFICERS are: Malcomb Dalkoff, John Pepke, Tim Fuller, and Bill Swan.

STUDENT FORUM emerged this year to replace Youth Forum giving students an opportunity to express their views. The important difference is that Student Forum is affiliated with Youth Involvement in Government, a national organization representing student opinion. It is broken into local, county, state and national divisions. The latter three have conventions where participants draft platforms based on the consensus of student opinion. Each year the national convention presents its platform to the White House, climaxing the year of local debate and discussion.

Students and Teachers Exchange Ideas, Plans.

STUDENTS POINT OUT opinions of the student body to members of the faculty. They also voice opinions on national affairs.

Five Boys, Five Girls Top Class of '67

HEADING THE Seniors are Rocky's Top Ten students, FRONT ROW: Karin Bruhn, third; Deborah Bendt, second; Linda Staley, fourth; Kathy Tobias, seventh; and Karen Hecht, fifth. BACK ROW: Ronald Kissell, ninth; Bill Bertelsen, eighth; John Clark, tenth; Doug Gillette, first; and Greg Odean, sixth.

THE VALEDICTORIAN of the Class of 1967 is Douglas Gillette with a grade point average of 97.40. Deborah Bendt is the salutatorian with a 97.31 grade average.

LITERARY CLUB officers Laura VanDerKamp and Malcomb Dalkoff are caught bringing back their reference books—slightly overdue.

Lit Club Celebrates Its First Anniversary

September of 1966 marked the first anniversary of Rocky's small but proud Literary Club. Operating without the advantages of refreshments or a treasury, the Lit Club has managed to bring in a sizable turnout to each of its monthly meetings.

The club is divided into two groups; one analyzes the works of established authors such as James Baldwin and Arthur Miller, while the second group analyzes student's works. Books covered by the first group included **The Crucible, 1984, Crime and Punishment,** and **The Fire Next Time.**

Highlights of this year included Lit Clubbers on T.V. and the publication of **Quandary,** the Club's literary magazine.

"READING CAN REALLY be fun", laughs Laura VanDerKamp, center. Other Literary Club Cabinet members are Jeff Gersick, Jim Quinlan, Malcomb Dalkoff, and Mindy Karen.

Rocks Start, Finish Strong for 3-6 Record

For the second year in a row, the Rock Island Varsity football team compiled a record of three wins and six losses. However, one must read more than just the won-lost column to analyze a team.

In the opener with the Alleman Pioneers, the Islanders displayed fierce tackling, precise timing in blocking, a crunching offensive ground game, and a devastating aerial attack. The result was a 30-13 victory for the Rocks. In the second tilt, against Jefferson C.R., the J-Hawks recovered a number of R.I. fumbles and scored twice on interceptions in scarring the Rocks with their first setback, 48-13. For Rocky's third game, the Moline Maroons entered Rocky Stadium only to be set back by a crew of determined Rock Island Rocks, by the score of 14-13. Moline tallied twice with only one PAT in the first half, while the Rocks stormed back in the final half for 14 points, enough for the verdict. After the conquest of the Maroons, the next two games on the road meant two hard losses—one to the Clinton River Kings, 14-7, and one to the East Moline Panthers, 7-6, in a mud-bath. Bright hopes of a Homecoming victory were snuffed out as the Davenport West Falcons crushed the Rocks 20-6. On the road for two more games, the Rocks faced defeat at the hands of Washington 29-19 in a close game to the finish, and also to Davenport Central by a score of 48-13. Ending a long season on a sweet note, the Islanders dumped Dubuque 20-13, after jumping to a big lead at the start and battling off a comeback by the Rams.

Outstanding Players Honored at Banquet

At the close of the 1966 football season, the annual banquet was held in the school cafeteria to honor the varsity football squad.

The members of the team voted for teammates who they felt were outstanding throughout the season. Terry Denoma, offensive right end, was chosen best team man. The Rock Island Gridders elected defensive back Greg Hockett as best defensive player. Dave Schmook, an offensive tackle, was named best blocker. Halfback Ed Thomas was voted most valuable player. The Islanders chose Floyd Rose, a hard-running fullback, as the most improved player. Rose also kicked P.A.T.'s for the Rocks. Offensive left end Jim Slack received team captain honors for the 1966 football season.

Pebbles Improve Despite Lack of Size

Although the season record was 3-5 the 1966 Sophomore football squad displayed some fine individual performances. The backs, led by left half-back Charles Atkins, and quarterback Cliff Nice showed fine form. However, because of a small line it was difficult to get holes open consistently.

Defensively the deep backs were good, and Jim Purcell was outstanding as an end.

The team finished in a tie for 5th in the Mississippi Valley Conference and 2nd in the Quad City Conference.

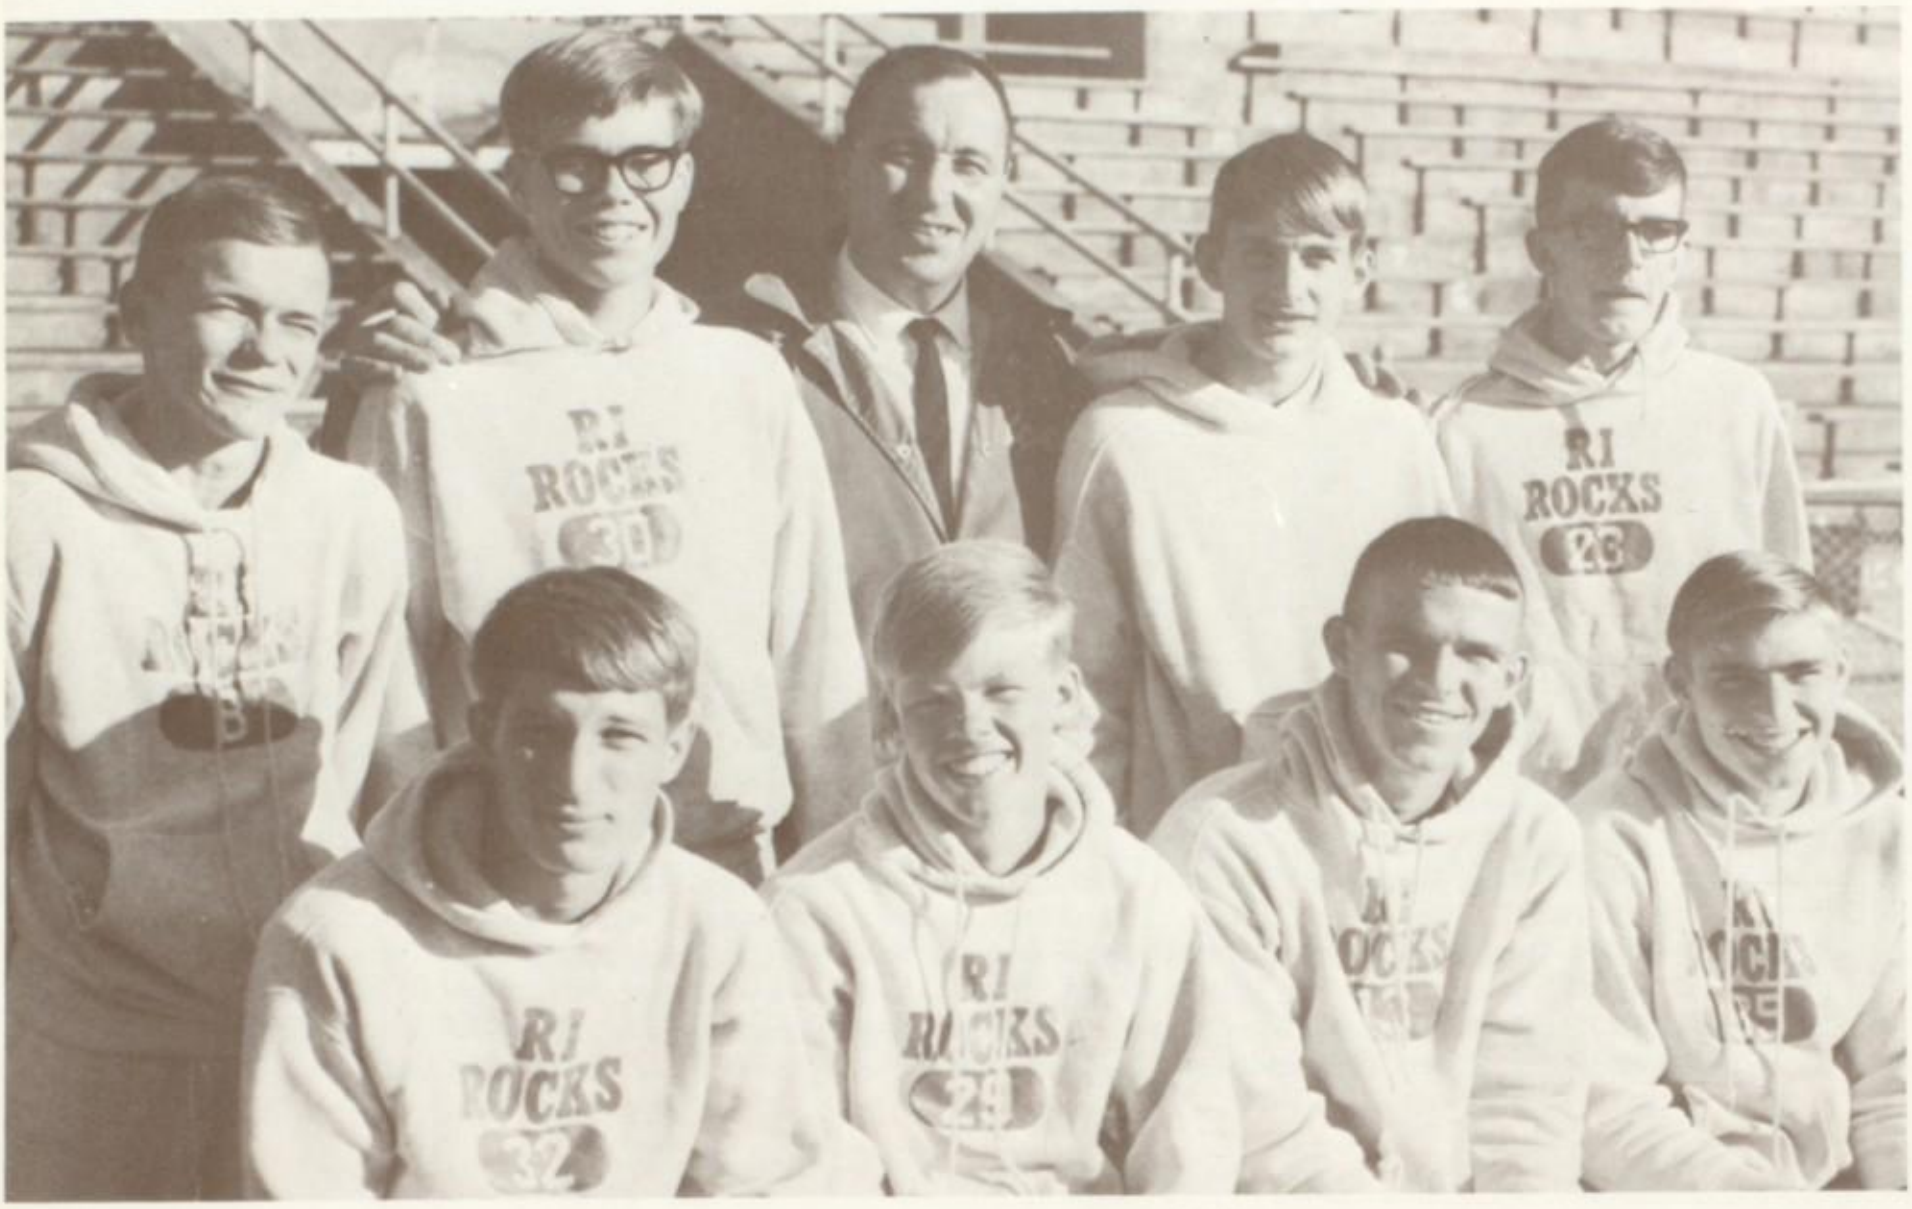
Harriers Harvest Rewarding Results



THE MEMBERS OF the varsity Cross Country and Fall Track are: FIRST ROW: Jerry Boxman, Mark Pealstrom, Rich Hansen, Don Rhode. SECOND ROW: Brad Schamp, Peter Beckman, Howard Lundeen, head coach; Bill Todd, Glenn Hunter.

Howard Lundeen's Cross Country and Fall Track squad accomplished the greatest season in the history of the sport at Rock Island High School. The varsity cross country team lost only one dual meet in Fall Track competition. The Rocks captured the Quad City and Mississippi Valley Conference Fall Track Meets while maintaining a near-perfect record of 7-1.

Coach Lundeen then turned toward the Cross Country title. Seniors Rich Hansen, Jerry Boxman, Mark Pealstrom and Don Rhode came on strong to lead the Rocks to a perfect 6-0 dual meet record. Rocky gained the Quad City, Mississippi Valley, and District Cross Country crowns, and in the state meet placed 12th in a field of 30 teams.

Sophomore Runners End Perfect Season

SOPHOMORE TEAM MEMBERS ARE: FRONT ROW: Larry Begyn, Ben Farrar, Kevin O'Hearn, and Gary Cox. ROW TWO: Ken Enstrom, Gary Greenleaf, Al Schamp, and Rick Park.

The Sophomore Cross Country team remained undefeated and untied throughout the Fall Track and Cross Country season. Trained by Head Coach "Hod" Lundeen, the Pebbles paced to the finest record ever in the history of the school. In Fall Track, the "Little Rocks" were 5-0 in dual meets. They also won the individual and team titles in the Quad City and Mississippi Valley Conference Fall Track meets.

Staying in winning form by practicing long and hard, the R.I.H.S. sophomores moved into the Cross Country season. In Cross Country dual meet competition they maintained a 6-0 record. Led by the top five runners: Larry Begyn, Ben Farrar, Gary Greenleaf, Kevin O'Hearn, and Rick Park, the Pebbles swept the Quad City and Mississippi Valley Conference crowns in the one-mile Cross Country race.

Underclassmen Naturalize Net Expectations

From LEFT TO RIGHT: Tom Conrad, Dave Heimbeck, DeArmond Briggs, Tom LaDage, John Mordhorst, Bot Hotle.

Coach Bob Motz's 1966 version of his Fall Tennis team was no different than those of past years here. For the ninth consecutive year the Rocky netmen claimed the Quad-City title by posting a perfect 8-0 dual meet record. All five members of the varsity squad secured perfect individual records in singles. Sophomore, DeArmond Briggs, held the number one position almost all season being followed by John Mordhorst, junior, who filled the number two slot. The other members of the varsity; seniors, Dave Heimbeck, Tom LeDage, and Tom Conrad battled weekly for the other three positions. Bob Hotle, Bill Martin, and Duane Stevens were outstanding performers for the junior varsity.

The Rocks were edged out by Moline in the Quad-City tournament. The margin of victory was only a quarter of a point although DeArmond Briggs captured the singles title. John Mordhorst, who competed in singles, and the doubles team of Dave Heimbeck and Tom LaDage brought home a third in their respective divisions.

The spring edition of the 1966 tennis team was only one step from perfection in dual meet competition, losing only to Dixon.

Girls' Tennis Team Regains Quad-City Title

MEMBERS OF THE Girls' Tennis Team are: KNEELING – Cathy Ryan, Terri Sundquist, Carol Meyer, Cathy Denecker, Steph Templeton, Gail Staubach, Chris Leidtke, Cari Sheets, Ruth Ann Morris, Diane Deyo. BACK ROW: Debbie Brasier, Jill Nicholson, Linda Mosier, Donna Powless, Cathy Egger, Anne Stone, Tee Dohrn, Sharon Stegall, Julie Carlson, Chris Lorentzen and Ellie Herman.

Last spring, the Girls' Tennis Team won the Quad-City Conference championship for the second consecutive year with a record of 16 wins and no losses. This, despite the fact that there were only three returning players with Varsity experience, was accomplished.

This fall in the Quad-City competition Cari Sheets, Tee Dohrn, Cathy Egger, Anne Stone and Chris Lorentzen followed suit by accumulating a record of four wins and no losses in singles action. In doubles they won all their matches staying in victory form.

For the third year in a row Cari Sheets led the Rocks with outstanding performances.

It was ironic that a team which finished last in the Quad-City Conference and won but four of eleven dual matches would win the first District Golf Championship in R.I.H.S. history. By virtue of winning (tied for first with Galesburg) the district, Rocky was represented the Golf team in the state meet at Champaign.

This fall the linksters placed fourth in the Quad-City. For the third consecutive season, co-captains Jim Savage and Jeff Murphy along with Dick Mosenfelder will head up this year's team. Savage was a consistent medalist for the Rocks.

Female Linksters Hope to Retain Q.C. Crown

The girl's golf team will be defending their title as Quad-City Champions when they open their 1967 season. The Female linksters will host two of eight dual meets with other Quad-City schools at Mill Creek Country Club. They will also travel to Dubuque to challenge the former Iowa state champions.

The squad is looking forward to an exceptional year with three returning lettermen; Vicki Keith, Deby Bendt, and Robbie Slivken. Six girls will compete in each match.

1967 GIRLS GOLF squad are, KNEELING: Gail Learner, Deby Bendt, Debi McDonald, Vicki Keith, Kathy Everingham, and Laura Swedburg. STANDING: Chris Bjorn, Betty Birkahn, Kathy Kepes, Jo Swedburg, Judy Henning, Lisa Learner, and Coach Jim Johnstone.

"Dynamic Duo" Take State Mat Crown

SECOND ROW: Garland Carrol, Kevin Quick, Dave Hallas, Steve Velge, Mike Boultinghouse, Cecil Lucas, Harvey Chaney, Bruce Trice, Alonzo Davis, Gary Hodge, Larry Hinson, and Pete Cassini. THIRD ROW: Willy Gathright, Rick Park, Dave Sajak, Kent Taube, Bob Carbone, Jim McGee, Frank Sykes, Don Huffman, Charles Atkins, Dave Seebeck, Rick Stanforth, and Allan Nelson. FOURTH ROW: Head coach, Chet Schultz; Assistant coaches, Don DeTaeye, Walt Gerber, and Floyd Bee; Managers, Randy Randerson, and Evan Meyer.

Speedily becoming an Illinois wrestling legend, the Rock Island grappling squad won the Illinois mat crown with the first two man team in history. Head coach, Chet Schultz, led his Cinderella team of Carl Moore (29-1) at 127 lbs. and Don White (18-1) at 145 lbs. to the state finals at Champaign after finishing fourth in the district and sectional tourneys and a rather disappointing season in dual meet competition.

In the state finals Moore became runner-up and White pinned his opponent clinching the state title for the Rocks. Upon arriving home, Coach Schultz, Moore, and White received a royal welcome with an official motorcade and reception at the fieldhouse. Mayor Haymaker presented them the key to the city. During the course of the season Jim Rankin, Dan Bradley proved to be outstanding performers.

The 1966-67 Rock Island Swimming Team stroked through another outstanding season and broke many records throughout their schedule. Head Coach Gary Ackerson and his "Dolphins" lost only to Moline and Peoria Richwoods while swimming 10 dual meets. The R.I. swimmers knocked off C.R. Washington in dual meet competition, handing the Warriors their first defeat in four years. In championship meets, the Rocks won their own Thanksgiving Relays, and the Riverside-Brookfield Invitational. Rocky placed no lower than second in other championship meets, including the Quad-City meet, Miss. Valley Conference meet, New Trier relays, and the Illinois State District.

Rock Island placed sixth in the state swimming finals rolling up 79 points. Senior Steve Gilliam placed third in the individual medley and second in the backstroke, breaking his own school records in each performance. Junior Bill Schuster placed third in the backstroke. Sophomore Marc Gilliam streaked to victory in the butterfly, three-tenths of a second off the state record. The free style relay of Tom Chappell, Mike Conrad, Dave Johnson, and Steve Frink placed eighth. The Gilliam brothers and Achuster are probable All-Americans in their respective events. Top performers for the Rocks were seniors Steve Gilliam, Steve Frink, Mike Conrad, Dave Johnson, Jerry Murphy, Mike Crow, and Dick Turnbull. Top juniors were Tom Chappell and Bob Hotle, with Marc Gilliam as the only sophomore to win an event in the state finals.

R.I. Basketball Squad Reigns

As M.V.C. Champs

MEMBERS OF the varsity squad are KNEELING: mgrs. Rick Weindruch and Dave Lofgren, Head coach Bob Riley, Jim Scott, Terry Denoma, Pete Gillis, Tom Dreessen, Vernis Hoskins, Jim Slack, and Assistant coach Thad Crews. BACK ROW: Ed Thomas, Jim Spurgetis, Al Minick, Steve Gotthardt, Frank Skafidis, Bill Scott, Bruce Woods, Ed Hamming, Dave Jagger, Paul Meinke, Don Albritton, Steve Forward, and Dennis Cromer.

The 1966-1967 varsity basketball squad boasted a 19-5 record and tied for the Mississippi Valley Conference title with C.R. Jefferson. The R.I. cagers also won the Quad-City Championship ahead of Moline. Jefferson, probably the finest basketball team in Iowa, was only beaten once throughout the regular season—this defeat came from the Rocks.

The Rocks won all M.V.C. games except one to the Moline Maroons. Other R.I.H.S. losses came at the hands of Quincy, Rockford Auborn and Galesburg, 90-80.

Leading the Crimson and Gold were seniors Tom Dreessen, Jim Scott, Pete Gillis, Terry Denoma, Vernis "Peaches" Hoskins, and Jim Slack. Dreessen and Scott were elected to the All-M.V.C. 2nd team. Scoring averages for the Rocks this year are as follows—Dreessen 14 pts., Scott 17 pts., Gillis 15 pts., Denoma 10 pts., Hoskins 8 pts., and Slack 6 pts. Al Minick averaged 5 pts. "Peaches" Hoskins was a consistent leading rebounder for the Rocks.

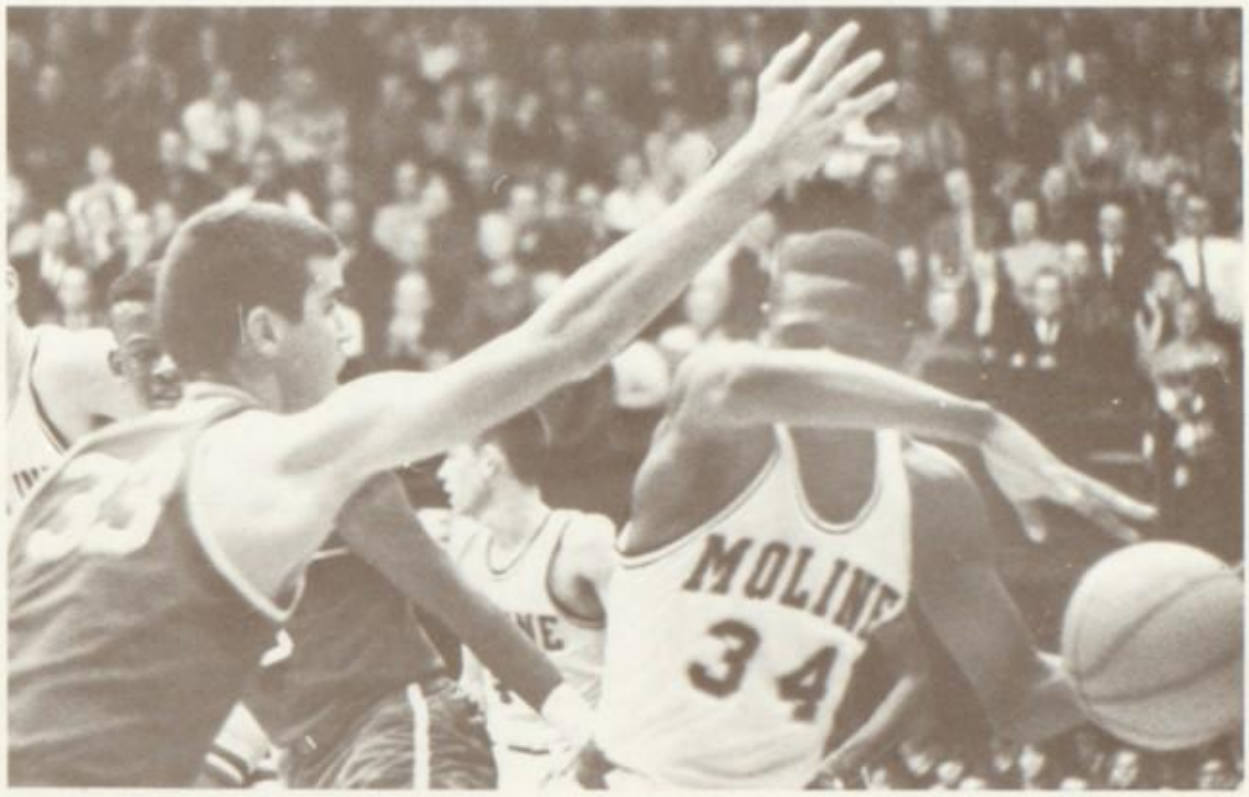
"Don't bother me," says Pete Gillis as he connects on a fast break.



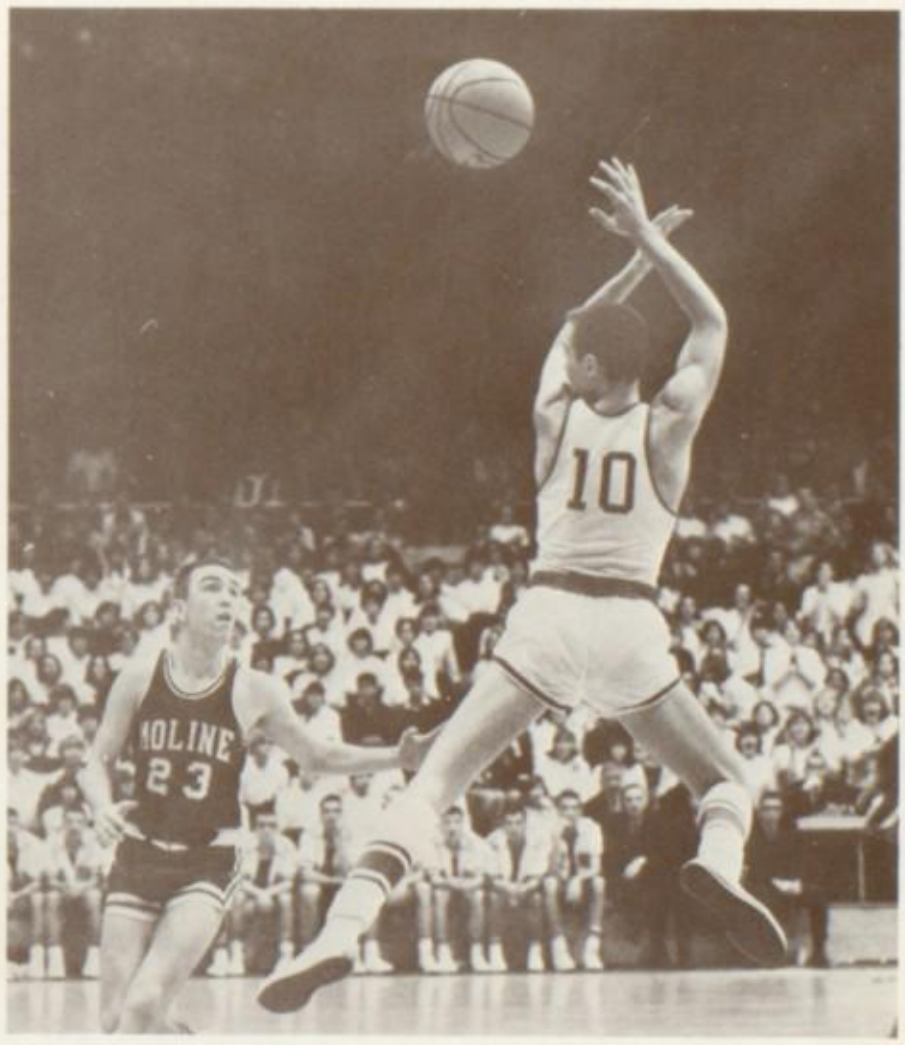
"Drop it!", commands Terry Denoma, and Curt Anders obligingly obeys.

Fine Five Fall in Finale

Rocky Cagers, seeded second in the regional, drew seventh placed Riverdale as their first opponent. The Rocky hoopsters proved to be too much for the Rams by easily defeating them 73-45.

Semi-final action pitted the Rocks against Geneseo. The Rocks put on a fourth quarter shooting display to win 92-75.

For the seventh straight year the Rocks found themselves in the title game, this time against Moline. The third meeting between the two squads was a nip and tuck battle right down to the wire before the Rocks bowed out of the tourney 54-45.



BALLET ARTIST Tom Dreessen exhibits a polished pirouette during the tournament action.

ROCKY'S 1966-1967 Sophomore basketball team, KNEELING: Don Kelly, Frank Riley, Carl Bates, DeArmond Briggs, Rick Miers, Dan Harris, Frank Wood, Bernard Teague, and Dave Kurler. STANDING: Assistant Coach, Hugh Johnson, Dave Drake, Bill Fallon, Carter Nicholson, Bob Jackson, Mike Timion, Emmett Jameson, Carey Cox, Terry Cox, Tony Cook, Jeff Novak, Tom Caller, and Head Coach, Frank Younguist.

Sophomore Cagers Enjoy Prosperous Season

The 1966-67 Rock Island sophomore basketball team closed out a successful season with a heartbreaking double overtime defeat at the hands of Alleman. The defeat ended a surprising season for the "Little Rocks" who compiled an impressive record of 14-7. The year was highlighted with several close contests. The pebbles were able to squeak by Galesburg by one point and East Moline by two. Among its seven losses were two to a powerful Moline team and two other defeats attributed to Washington, one of which was a triple overtime. The Pebbles were led all year by the tremendous play of Dan Harris and Banard Teague. They also received a great deal of support from Carl Bates, Frank Riley, and Frank Wood.

Speedsters Start Season with a Hardy Team

Rock Island's 1967 track team posed a bright outlook for the coming season. An enthusiastic squad of over sixty commenced practice in the second week of February. The cindermen promised to field a team with great diversity and depth in all fields of competition. Returning lettermen are Bob Sager, Don Staton, Ed Thomas, Don Albritton, and Rich Hanson, all who will practice hard to excel in their specific events.

The 1966 thinclads completed a near perfect dual meet record, losing only to Moline. They also placed second in district, third in Quad-City, fourth in the Gateway, and fourth in the Davenport Relays.

BOB SAGER explodes sending the shot for another fine put.

Diamond Nine Desire Sunshine on Their Side

March saw the balcony of the field house occupied by the men composing the 1967 edition of the Rock Island baseball team. Coaches Carl Aronson and Jerry Janecke, are optimistic about the coming season with a fine list of returning members from the 1966 squad. Among these veterans are: Terry Denoma, Jim Knox, Murray Hancks, Bob Bevans, and Greg Hockett. Also being counted on to carry a bulk of the load are Larry Milligan, Rich Louck, and Tom Messmer.

The pre-season practices are composed mainly of sliding and batting practice plus an intense program of calisthenics. The fate of any team rests upon the shoulders of basic fundamentals.

MARILYN MESSMER pops out the pool after a brisk workout.

1966-1967 marked the greatest year of participation by the Rocky student body in the history of the intramural sports program. Under the supervision of Mr. Roger Pohlman, intramurals offered a chance for anyone not out for an interscholastic sport to show off their athletic talent.

The GAA offered points toward membership to any girl participating in intramurals. Activities offered in the female category were kickball, volleyball, gymnastics, swimming, bowling, basketball, softball and archery.

The masculine side of the intramural season indulged in such sports as touch football, handball, volleyball, archery, fencing, table tennis, weight lifting, bowling, wrestling, basketball, swimming, and softball.

CLIMBING THE Ladder to victory are senior cheerleaders Bo Williamson, Doris McDonnell, Debbie MacDonald and Ann Klingbiel.

For the second consecutive year Rock Island cheerleading underwent a monumental change. A squad from each grade incited the students to stand up and give their best for old R.I.H.S. at pep assemblies and athletic contests.

Summer 1966 saw Rocky's senior cheerleaders attending the Illinois State University Cheerleading Clinic at Normal. The senior squad, made up of Ann Klingbiel, Debbie MacDonald, Doris McDonnell and Bo Williamson, captured the "spirit stick" signifing their outstanding ability and personality. The senior pep providers lead the student body at varsity football and basketball games besides supplying many comical skits and stunts at pep rallies.

Cheerleaders Produce Pep as Spirit Soars

THE SOPHOMORES' circle of success is composed of cheerleaders Susie Wilson, Marsha Maurus, Leanna Nelson, Gloria DeVacht and Laura Swedburg.

The Junior five, comprised of Mary Jo Boynton, Dee Dee Detwiler, Elizabeth Eagle, Nancy Epperson and Chris Paul gave the swimmers, wrestlers and junior varsity football and basketball teams the extra boost to victory. The Junior cheerleaders attended a clinic in Wisconsin. They brought back a series of chants and cheers which have become a part of the Rocky tradition.

Fall brought the advent of school and the traditional election of sophomore cheerleaders by the Senate. Five girls, Gloria DeVacht, Marsha Maurus, Leanna Nelson, Laura Swedburg and Sue Wilson sparked the Pebbles to victory.
